 - Rehm Pool Painting Contract Commissioner Worley-Hood moved and Commissioner Wick seconded to approve and award the Rehm Pool Painting base bid to Alpha Paint Works, Chicago, IL, in the amount of \$40,985 and decline the alternate bid for the main pool work. Executive Director Arnold reminded the Board of their tour of the pool diving well and the main pool painting needed. Using a company for the painting would reduce 40-50 hours of staff time and would last 4-5 years. Three bids were received and opened on January 19, with the low responsible bidder for the diving well painting being Alpha Paint Works with good references. The Board was informed staff would repair and patch the main pool for this year and that the District would be going back out to bid most likely in the fall. The motion passed with a roll call vote 5:0.

1. WSSRA Annual Report

Marianne Birko, Executive Director WSSRA, gave an overview of the previous year and talked about the challenges they faced with the pandemic and continue to face. Although an improvement over 2020, and progression with in-person programming, they are continuing to use Zoom in many areas and will most likely continue to as a way to expand their reach for those that cannot attend in person programming as well as socialization for many. Staffing has been a huge struggle with the loss of four full-time staff equaling 31% of their workforce as well as finding all their part-time staff especially, as much of their work requires 1:1 ratio. They are marketing heavily and partnering with schools for anyone who has the desire for this work as skills can be taught and stressed the importance of word-of-mouth for finding staff. Marianne gave a snapshot of their budget, fundraising, partner shares, their continuing to try and bring in additional partners, participation, their new sensory room home, and their Lekotek borrowing program. The Board discussed with Marianne the possible impact of Covid on children and their development down the line and thanked her and WSSRA for all of their work they do for the communities. **No action is needed by the Board on this item.**

2. Apparel Bid

Executive Director Arnold reminded the Board of their approval last year for our screen printed apparel with SP Designs & Mfg., Inc., Cape Coral, FL; due to unreliability on more than one occasion as well as errors in orders, the District will no longer be working with them. Staff went out to bid and bids received were opened on February 2. Numbers and references are being checked for all our camps and staff's needs and will be brought to the Board for approval at the February 17, Regular Board Meeting. This will be brought to the Board at the February Regular Board Meeting under the regular agenda.

IV. Parks and Planning Committee

A. ESAC Application – Debra McQueen

The Environmental Sustainability Advisory Committee is actively looking for members. Debra McQueen expressed interest, attended meetings, and submitted an application to join the Environmental Sustainability Advisory Committee. Debra lives near Austin Gardens, is interested in sustainability, plant health, and is an architect. She currently is a member of the Oak Park Zoning Board of Appeals. The Board was informed that, once approved, she will join the committee upon her replacement on the Zoning Board of Appeals. The Board discussed the advantages of having an architect back on the committee. **This item will be brought to the Board for approval at the February Regular Board Meeting under the consent agenda**.

V. Administration and Finance Committee

1. Banking Services RFP Contract Approval

Jan Arnold, Executive Director, reminded the Board our current banking services are with Byline Bank who purchased the Community Bank of Oak Park in 2019. In an effort to remain transparent and good stewards, the Park District went out for an RFP for banking services in December, 2021. Four banks responded with Byline Bank offering the best services at the lowest price. The Board confirmed that staff have been pleased with their current service and thanked staff and agreed it was good to go out and see what other services/costs are available. This will come before the Board on the regular agenda at the March Regular Board Meeting.

VI. New Business – None

VII. Closed Session

At 8:09pm Commissioner Wollmuth moved and Commissioner Wick seconded that the Park Board of Commissioners convene into closed session for the discussion of the performance of specific employee of the District. The motion passed with a roll call vote of 5:0.

At 9:01pm a motion was made by Commissioner Wick and seconded by Commissioner Lentz to adjourn the Closed Session. The motion passed a voice vote of 5:0.

VIII. Adjournment

At 9:01p.m. a voice vote was taken to adjourn the Committee of the Whole. Motion carried in a voice vote.

VI. STAFF REPORTS

A. Director's Report

Jan Arnold, Executive Director, informed the Board that the ice rinks have been busy this year but are currently out of commission due to the earlier in the week; the sled hills have had heavy use this year and are definitely going to be used this evening! The new sled library at Taylor is doing well, having good use and has a number of donated sleds in it. The Annual Report which usually is at sitting at their places for this meeting, was sent to them with their packet; and she hopes the Board can agree that 2021 continued to be a trying year with Covid19 but the Park District teams still delivered some exciting programs to the community.

B. Division Managers' Reports (Updates & Information) – Written Report Included in Board Packet.

C. Revenue/Expense Status Report – No questions asked.

VII. OLD BUSINESS

- A. Recreation and Facility Program Committee
 - 1. Apparel Bid Contract Approval

Commissioner Wollmuth moved and Commissioner Lentz seconded that the Park Board of Commissioners approve and authorize the Executive Director to sign a contract with Will Enterprises, Milwaukee, WI, for screen printed apparel for a one-year agreement beginning **February 2022, through January 2023, with the option to renew two additional years depending on service quality provided.** The Executive Director reminded the Board the District had awarded an apparel contract in 2021, but that the vendor did not prove to be reliable so staff went out to bid on January 20, with eight bids being opened on February 2. Numbers were checked by Maureen and Mitch with Will Enterprises being the low apparent bidder. Staff are requesting a one-year contract with the ability to extend the contract by two years if they meet the quality of service as established. The motion passed by a roll call vote 5:0

B. Parks and Planning Committee – None

C. Administration and Finance Committee

2. Banking Services

Commissioner Wick moved and Commissioner Wollmuth seconded that the Park Board of Commissioners approve the banking services agreement with Byline Bank for three years with an additional three-year option. The Executive Director reminded the Board of the COW Meeting discussion of how Byline Bank had purchased the Community Bank of Oak Park in 2019, and the District had just rolled over its banking needs at that time to Byline Bank. In an effort to remain transparent and good stewards, the Park District went out for an RFP for banking services in December, 2021. Four banks responded with the requirements of having one physical location in Oak Park and the ability to do remote deposits, etc., and after staff evaluated the proposals, Byline Bank offered the best services at the lowest price. Staff were looking for the Board to approve a three year contract with the opportunity for an additional three year option. The Board agreed it showed good practices to go out and confirm costs and services for a long standing vendor. **The motion passed by a roll call vote 5:0**

VIII. NEW BUSINESS

1. Annual Special Facilities Report

Bill Hamilton, Superintendent of Special Facilities, stated this was the 2nd year operating under Covid and they continued to adapt services for the community while meeting the mitigation standards. In January 2021, 1:1 lessons were held in the rinks and gymnastics areas, and as mitigations slowly opened up, in-person programming was able to be held with reduced capacity and eventually expanding. Pools were fully able to open up this summer allowing the department to service 85% of attendees as they had in the past. Also in the first quarter of 2021, Customer Service moved over to Special Facilities and are now almost completely staffed again with registration taking place at both RCRC and the GRC. The Board was informed of accomplishments in the rink and aquatics area from Kayla Lindgren, Program Manager – Aquatics and Rink, including the Ellis award with the PDOP achieving Platinum which puts them in the top 10% worldwide, pool passes, admissions, hiring, camps, skating, hockey, lessons, clinics, ice rentals, and the upcoming Ice Show in 2022. Keith Kerrigan, GRC – Program & Operations Supervisor, informed the Board the GRC celebrated its 8th anniversary on October 5, that 438 1:1 sessions were held in the winter and 27 1:1 sessions were held during the spring due to demand. He expanded on information in the report regarding pre-school gymnastics, pre-school playtime, open gyms, holiday break camps, birthday parties, recreational and adult gymnastics, and the competitive teams. The Boy's competitive team unfortunately had to discontinue in October, due to not having a coach. The facility/pool improvements consisted of the drain replacement and the slides being refinished. The Board discussed the hockey numbers with the 1:1 lessons, the upcoming four performances of the ice show for the first time since 2019, the GRC birthday rentals, and commended the staff for their flexibility as the rules continually changed in 2021, and the very comprehensive report and presentation. No action is needed by the Board on this item.

2. Annual Recreation Department Report

Maureen McCarthy, Superintendent of Recreation, introduced the 2021 Comprehensive Program Participation Report stating the Recreation Department had a lot of the same challenges that the Special Facilities reported on with staffing shortages and continual changes to the Covid mitigations. Chad Drufke, Program Manager, reviewed programs in fitness, wellness, and martial arts taking place in multi-platforms including virtually, inperson, as well as outside when/where we could. Performing arts continues to grow with dance recitals outdoors and indoors and the season ending with the Nutcracker held at Fenwick. Musical theatre was introduced this year with a production of the Little Mermaid held at Scoville Park. The FLW races were held virtually again this year with 500+ participants. Youth sports were disrupted by D97 closures but rebounded with specialized trainings offered and new partnerships being formed. Adult sports also was affected by D97 closures but did well with the outdoor sports and with the addition of some new adult partnerships and programs. Joe Lilly, Program Manager, informed the Board of the District's fine arts programs including: very successful one-day art workshops, the active adult memberships are at an all-time high, teen programs, the E-sports program, camps, and of the CIT program being able to be brought back. The Early Childhood Program Supervisor position is still looking to be filled but the pre-schools have been running and everyone has been very pleased with the new space at Carroll Center including holding the new Spanish preschool there. Due to Covid, there was no indoor playground in 2021. Nature programs will be coming in 2022. The E-learning the District provided was held in many variations to align with the school closings. Maureen finished the report by updating the Board on the PACT groups and hours. The Board discussed sports sponsors and the ability of sponsorships for sports, the socialness of group fitness, and then thanked the Recreation Department and said they were amazed by all the programs we were able to provide. **No action is needed by the Board on this item.**

3. Cheney Mansion Annual Operations Report

Susan Crane, Historic Homes and Special Event Manager, reminded the Board that 2021 was the full first year for the combined historic properties programming of both Cheney Mansion and Pleasant Home. The Pleasant Home Foundation continues to operate free tours, private tours, and fundraising events, and the Park District will continue to collaborate with the Foundation on the use of the space and events. Lots of improvements have been taking place including the additions of geothermal and the kitchen at Pleasant Home. Weddings came back strong in 2021, especially when mitigations opened as well as showers, parties, and memorials. Two film shoots took place at both homes this summer. Oak Park Festival Theater held Edgar Allen Poe at Pleasant Home and all but one show was sold out. Recreation programs and events returned back to pre-covid numbers and continue to fill up. Strong partnerships with businesses such as the OPRF Symphony, WSSRA camp, and strong holiday events at both homes helped with the budget. Susan was able to promote a part-time staff member to a full-time member which helped a lot with all of the programming and events. A number of rentals ended up postponing when the vaccination mandate came down, but with the purchase of the 30 x 30 seasonal tent for Cheney's patio, the ability to book weddings earlier and for those smaller rentals, none were lost. Movies and concerts in the park were able to take place this past summer as well as the very successful Fall Fest which everybody enjoyed. The Board stated they were so happy to see the successes of the historic homes and the turnaround that they have made. They also are looking forward to the air conditioning at Pleasant Home and all the new opportunities it will enable. No action is needed by the Board on this item.

VII. NEW BUSINESS - None

VIII. COMMISSIONERS' COMMENTS

- **Commissioner Wollmuth** Thanked all the staff for their very informative reports. He attended AYSO, OPYB/S, and Parks Foundation meetings this month; all the meetings were very positive and enthusiastic. AYSO was in-person and he said it was great to see everyone and they are really ramping up after some quiet years as is OPYB/S, and the Parks Foundation had some really great brainstorming ideas for fundraising for the CRC. He also asked the Board members to think about hosting private fundraising events for the CRC as the added personal touch could be very beneficial.
- **Commissioner Worley-Hood** Attended an OPRF Facilities Meeting where they rolled out their CIP and he was pleased to see our format and that it's great we are able to step up in a leadership roll in the community and that it is appreciated by the other entities. He also signed his daughter up for OPYB/S and noticed their donation to their capital fund button when signing up and he was thrilled to see that option shown to all who sign up. He also was looking forward to the new Village Manager starting at the VOP.
- **Commissioner Lentz** Has been driving by the new playground at Rehm Park and stated it was great to still see it being used even while it is cold and wet out. She had volunteered with Seven Generations Ahead for the government discussion on the activities and projects going on in our community and

surrounding communities. She also said the IGOV columns have begun and are scheduled on the 2^{nd} of each month with the next one by Chris Lindgren. She also mentioned that WSSRA is busy and moving forward and Festival Theater has been busy rebuilding and replacing from the fire.

- **Commissioner Wick** IGOV held their meeting this past Saturday and they have postponed their inperson meetings for sometime late summer. The Government 101 Community Forum will be held on the second Saturday in May to discuss different aspects of government. Re: PACT Facility Use License Festival Theatre Agreement for 2022

Statement

In 2011, the Park District of Oak Park created and introduced a Facility Use and Allocation Management Program entitled PACT, which was launched in 2012. This acronym refers to the four organizational levels within the program: Partner, Associate, Companion, and Tenant. The program is intended to establish a fair, equitable, and cost-effective system in which to manage the reservation, allocation, and use of Park District facilities by user groups and organizations requesting facility access. In 2016 the program was reviewed and in 2017 changes to the way organizations pay for space was changed to a system where fields are paid for by the hour rather than flat fees based on the number of participants.

Discussion

Festival Theatre's Agreement is attached which notifies the Park District of their play, dates and time when the group will be at Austin Gardens throughout the summer. Festival Theatre has applied and is eligible to be part of the PACT program.

Conclusion

The Recreation and Facility Programming Committee recommends that the Board approve Festival Theatre Facility Use License Agreements provided for full execution. Staff will be in attendance at the meeting to review the PACT program application, level classification and proposed agreement as well as to answer any questions of the Board.

Asbestos abatement took place October 6-18, with utility disconnects following. Also, the Park District partnered with the Fire Department to allow them to use the interior for training needs which started on September 28, and went through the end of October. Final water and sewer disconnection took place on November 12, wrapping up all the utility disconnects. The final Village inspections were completed and the contractor completed demolition and site backfill on December 24, with the roof cap repairs and tuck-pointing all completed on December 30. The Park District is working on zoning variance with the Village of Oak Park to convert 228-230 to a parking area that includes Park District maintenance vehicles.
- 13. **Community Recreation Center (CRC)** Perkins and Will (Architects); Bulley and Andrews (Construction Manager). The Park Board approved construction contracts at its meeting on November 18. The CRC will be constructed as a net-zero energy facility. The facility will include two community rooms, a multi-purpose room, kids playzone, e-sports room, fitness room, fitness center, walking track, basketball/sport courts, and the office space for the Community Mental Health Board. The ground-breaking is scheduled for 1pm on March 19. Construction will begin March 14, 2022, and will be completed in the spring of 2023. Permit drawings were submitted in October, and the building permit is approved. Also, the ComEd site power engineering design is completed and the PDOP expects to see a contract for that work this week. Submittals are coming in for all of the long lead time items and weekly meetings with staff and the project team are ongoing.

PARKS AND PLANNING

Chris Lindgren, Superintendent of Parks and Planning

- Updated Memorial Plaque inventory.
- Cleaned/reorganized Barrie shipping container.
- Staff groomed and vacuumed synthetic field surfaces. This is the earliest we have been able to do this maintenance due to the warm temperatures and snow melt.
- Outdoor ice rinks are closed for the season and staff have started disassembling the ice rinks and moving them to storage. It was a great year for outdoor ice skating!
- Staff repainted soccer goals at Ridgeland Common and new warning/information decals have been ordered to be adhered to the goals for safety.
- All snow blowers have gone through preventative maintenance and new snow paddles and scrapers have been installed.
- Baseball infield mix that has migrated off of the field and accumulated on the player bench areas due to the snow and rain, has been cleaned up at all baseball fields.
- Replaced broken picnic table seat at Austin Gardens.

Susan Crane, Historical Properties & Special Events Manager Cheney Mansion

- February was full of great programming at Cheney for families and adults. The dates around Valentine's Day are always busy and we were able to offer events that appealed to both adults and families. We continued to partner and highlight local businesses with these events and had a very successful dinner dance for adults, highlighting our dance instructors.
- Cooking classes at Cheney remain strong and high in demand; our instructor has garnered a great following and we are expanding programming with her. Appointments for future bookings remain consistent and we booked 23% of those coming to visit.

Pleasant Home

• Pleasant Home Foundation returned in February for the free tour days after a hiatus in January due to COVID spikes. We also held a very successful Victorian Valentine Tea party with a first time collaboration with Serentea here in Oak Park and look forward to planning summer teas on the Front Porch with them. Bookings at Pleasant Home are getting stronger, we continue to promote rentals through marketing and inquiries through Cheney.

Special Events

• We plunged ahead with Winter Fest on Saturday, February 12, in coordination with Sustainable Saturday in an effort to spread the word about this monthly opportunity. The rain and then deep freeze tested our creativity to adjust outdoor events to the self-made ice rink that was Austin. We had about 50 people come out and enjoy "ice" fishing, "snowball", and the adjusted curling/hockey game on the ice! Families were appreciative to get kids out of the house even in the frigid weather as well as enjoy the indoor activities for Sustainable Saturday!

Patti Staley, Director of Horticulture and Conservatory Operations

- The Conservatory welcomed 2,255 visitors during the month of February.
- Story time on Wednesdays at the Conservatory garnered 57 participants.
- A Free virtual Art of Landscape Design lecture was held with the Conservatory Director; 113 registered.
- In person Toddler Exploration Time was held with 25 children
- Six children's birthday parties were celebrated at the Conservatory in the month of February.

SPECIAL FACILITIES

Bill Hamilton, Superintendent of Special Facilities Maintenance

- Two staff members, Josh Gronwold and Nolan Lenhart, took the Certified Pool Operators Course through Aqua Pure on March 2 and 3, tested, and earned their CPO license for the first time. Congratulations to both of them. Two additional staff members, Bob Jacklin and Bill Hamilton, took the Certified Pool Operators Course to renew their CPO licenses through the Aquatics Council on March 7 and 8; both earned their renewals and the Licenses are valid for five years. A Certified Pool Operator is required to be present during all pool operating hours, by the Illinois Pool Code. In total, six staff members are CPO certified, including Bill Moreth and Kayla Lindgren.
- Staff has begun working at Rehm Pool on set up tasks, including spring landscape cleaning, and reassembling all bath house plumbing fixtures.
- Crossroad Construction, has gotten back to work on the Rehm Pool drain and diving well work. The new drain boxes have been placed, back filled, and framed for concrete. Diving well gutter repair is getting ready to start.
- The GRC sign is having maintenance work performed including ballast and light bulb replacement.
- Staff is planning tasks to be completed for the upcoming Ice Show/Exhibition.

Aquatics

- Swim Lessons our Winter Swim Lesson program came to an end this past Sunday. Program days were Wednesday evening at OPRFHS and Sunday morning at Fenwick. Unfortunately, Wednesday lessons had to be cut short by two weeks because of pool mechanical issues at the high school. We have offered priority registration for winter session participants for summer lessons as a thank you for their understanding and the inconvenience.
- Kayla, Josh, and Abbey are actively recruiting for all summer positions, lifeguards, swim instructors, cashiers, and maintenance attendants.

Ice Arena

- Our Winter Learn to Skate School and Hockey Academy programs ended this past week. We were very pleased with the number of participants in both programs, 516 in Skate School and 155 in Hockey Academy; both were solid increases from the prior session.
- The Travel Hockey regular season has come to an end and teams are currently in playoffs. With the OP Vaccine Mandate in place, our teams had to finish the year playing away games, due to opposing team's inability to comply with the mandate. We were happy to complete the winter season and are looking forward to our spring season with registration taking place on March 11. We also held an end of season party last Friday for participants and family at the outdoor ice arena in Rosemont.
- RCRC will be hosting an Ice Show this year, the first Ice Show since 2019. It will be on a smaller scale than in the past to keep costs down. With the continued uncertainty of the Covid Pandemic, we felt it was best to host a smaller event in case we had to cancel it or change plans due to Covid.

Customer Service

- Staff handled camp and winter registration well in the first part of the year, they are currently reviewing the spring/summer program guide and are gearing up for the next registration to start on March 12.
- Gabrielle Angeles joined the Customer Service Team a number of weeks ago and has been in training and learning fast. The addition of new staff has allowed us to expand hours at the Gymnastics Center.

Jamie Lapke, Program and & Operations Manager – Gymnastics

- Our winter musical Annie Jr. took place the weekend of February 25. The cast and staff did a great job in providing entertainment via in person and streaming.
- Dance winter session II begins the week of March 7. Participants in this session are encouraged to participate in the spring dance recital.
- Michaela Williams, Program Supervisor of Fitness and Performing Arts, is leaving the agency to pursue a career in acting. We thank her for all her contributions and wish her well!
- The performing arts programming will be shifting to the general recreation team and our team will be recruiting a new Fitness and Membership Supervisor who will oversee fitness and membership sales in the new CRC.

Sports/Martial Arts

Re: February 2022 Revenue Expense Report

Attached with this memo are the Revenue and Expense summary charts and reports. The 2022 Budget vs Actual chart shows total year-to-date (YTD) operating revenues, expenses, and net income compared to the YTD Budget. The Month Actual - 3 Year Comparison chart compares the month actuals against the prior two-year monthly actuals for 2020, and 2021.

The District received approximately 13.5% of total 2022 property taxes through the end of February, which is more in line with pre-Covid collections. YTD revenue is 50% higher than budgeted due to 2021 winter program/facility deferred revenue and strong summer camp registrations. Deferred revenue is money received in 2021 for events/programs taking place in 2022.

Total expenses are tracking below budget by 25% YTD due to timing of major Capital Project expenses, wages, benefits, and utilities. Water bills are at least three months behind due to processing time at the Village.

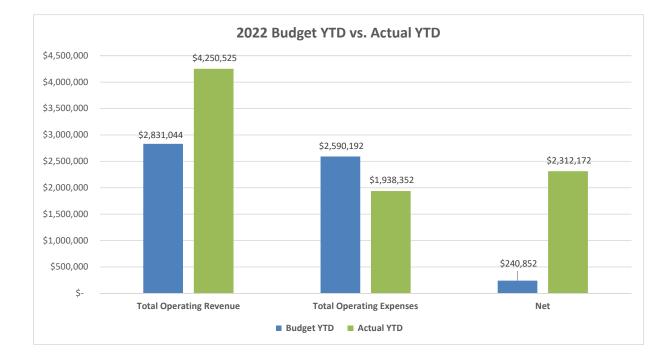

The February Revenue Expense Reports highlights include:

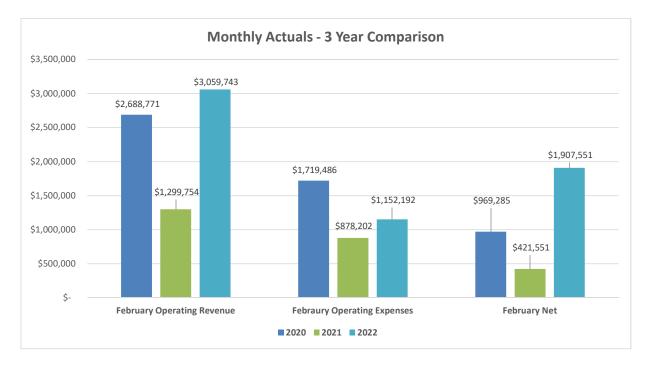

- Higher than expected Summer Camp registrations on February 5, helped actuals surpass budgeted revenues.
- Health Insurance expense actuals are lower than budgeted, due to 2022 full-time vacancies being budgeted with the highest cost health insurance.
- The Concessions budget is now under the Special Facilities Administration budget.
- Revenue and expenses for Pleasant Home programming and events are now reflected under the Historical Properties budget with Cheney Mansion.

Re: Bus Bid Contract Award

Statement

Every year, the Park District offers a large number of trips. Due to the large number of vehicles required to transport our participants and resulting overall costs, we feel it is beneficial to contract with one company. On February 23, 2022 at 1:00PM we opened the bid proposals.

Discussion

Two bids were submitted. First Student submitted a comprehensive bid packet describing the company and providing information on its history, finances, safety measures, and training methods and complied with all bidding requirements. First Student was the lowest responsible bidder: \$58 per hour minimum of 3 hours for field trips during the school year and summer camp trips. We also had pricing options for year 2 and 3 renewals. We will evaluate each year based on performance.

We have used this company the last several years and have been satisfied with their services.

Conclusion

The Recreation and Facility Program Committee are recommending that the Park District of Oak Park contract with First Student for bus service for March 2022 – February 2023, with the option of renewing for the next two years based on performance.
